Data Protection Act 1998: How we use pupil information

We collect and hold personal information relating to our pupils and may also receive information about them from their previous school, local authority and/or the Department for Education (DfE). We use this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services
- protect public monies against fraud

This information will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information. For pupils enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

A parent/guardian can request that only their child's name, address and date of birth be passed to Derbyshire County Council by informing Mrs Waldron – School Business Officer. This right is transferred to the child once he/she reaches the age 16. For more information about services for young people, please go to our local authority website <http://www.derbyshire.gov.uk/>.
