SATS / Phonics

Year 2 children are now part way through the SATs. They are doing them in small groups and the children have worked really sensibly. Year 1 children will be taking part in phonics screening the week beginning 11th June.

Scooters / bikes

It is lovely to see the children coming to school on their bikes and scooters. Please remind your children to go on the path to the bike store and not to go behind the cars that are parked in the car park. Please also make sure that you store your child's bike / scooter in the bike store and not in the entrances to the school. We also need to let you know that scooters / bikes are left at your own risk, school is not responsible for scooters /bikes left.

Royal Wedding Celebration Day

On Friday 18th May children can dress in party clothes and at dinnertime they will be having a celebration lunch provided by the kitchen. The menu is on the wall in the entrance. Children will be taking part in activities in their classrooms.

Threadworms

If your child is saying their bottom itches please check their pooh as they may have threadworms. You can buy medicine for threadworms from pharmacies. This is usually a chewable tablet or liquid you swallow. Treat everyone in your household, even if they don't have symptoms.

Suncream and Hats

We are lucky with the weather (at the moment!) and would like to remind you to make sure your child has a sunhat in school to wear at playtime and dinnertime. Please put suncream on your child in the morning before they come to school.

Governor Information

A positive budget has been approved by the Governors keeping the school in a healthy financial position. They have agreed to a morning Nursery only in September due to numbers. Please encourage any 3 year olds that you may know to come and join us in our nursery. Parents of younger children can also put their name on the nursery list for when they become 3 years old.
